# TS Logo Design Specifications

## Visual Design

The TS logo consists of:

- **"TS" letters** in bold Merriweather serif font
- **Star symbol (✦)** positioned below the letters

## Typography

**Font Family:** Merriweather (serif)

- Available via Google Fonts: https://fonts.google.com/specimen/Merriweather
- Font Weight: Bold (700)

**Size Ratios:**

- TS Letters: 65% of total logo size
- Star Symbol: 45% of total logo size
- Vertical offset: Star positioned at -5% to slightly overlap with letters

## Color Palette

### Primary Colors (Default)

- **TS Letters:** `#191970` (Midnight Blue)
- **Star Symbol:** `#cfb53b` (Old Gold)

### Alternate Color Schemes

**Navy & Gold (used in header)**

- TS Letters: `#000080` (Navy)
- Star Symbol: `#efbf04` (Gold)

**White & Gold (used on dark backgrounds)**

- TS Letters: `#ffffff` (White)
- Star Symbol: `#efbf04` (Gold)

## Effects

**Text Shadow:**

- Glow effect using accent color at 25% opacity
- Shadow: `0 0 8px {accentColor}40`

# Brand Meaning

The TS acronym is intentionally multi-faceted:

- **T**rusted **S**eller
- **T**rusted **B**uyer
- **T**hrift**S**eller
- **T**hrift**B**uyer
- **T**hrift**S**hopper

This flexibility allows the badge to represent trust and community across both buyers and sellers in the marketplace.

# Usage Examples

**Sizes:**

- Small (24px): Navigation icons, badges
- Medium (32px): Buttons, seller mode toggle
- Large (40px): Header logo, profile displays
- Extra Large (64px+): Marketing materials, splash screens

# Component Code

```tsx
import { TSLogo } from './components/TSLogo';

// Default midnight blue & old gold
<TSLogo size={40} />

// Navy & gold
<TSLogo size={40} primaryColor="#000080" accentColor="#efbf04" />

// White & gold (for dark backgrounds)
<TSLogo size={40} primaryColor="#ffffff" accentColor="#efbf04" />
```
